The fine two story Roesler block is rapidly advancing toward completion. Work was stopped on the lower floor for a while for lack of material, but the mechanics have been pushing the work on the opera house and it will be ready about November 1st. The plasterers have completed their work and are now working on the first floor, and the ceiling is completed and the plumbers and electricians have finished the wiring.

Ex-Sheriff Turns Preacher.

John W. Jones, ex-sheriff of Reno county, and twice a candidate for the Legislature on the Republican ticket, has entered the Christian ministry. He has been called to the pulpit of the Christian Church in Pratt and has accepted the call. Mr. Jones is here attending the state convention of Christian churches. Two years ago his son, Roscoe, in whom the father's hopes were centered died. A little later Mr. Jones became interested in religious affairs, subsequently experiencing conversion and becoming a member of the Christian Church at Langdon, near which place his farm is. A year ago he attended a state Sunday School convention as a delegate from the Langdon Sunday school. The story of the convention which he told upon his return so interested the Christian church people that he was induced to tell it at other churches, and eventually he got to supplying pulpits in Reno and Pratt counties. Finally the Pratt church asked him to fill its pulpit regularly and he consented to do so. He will not quit farming, but will journey from his farm to Pratt in his motor car each Sunday and on other occasions when there are church meetings. Mr. Jones is wealthy.

Dan Humphrey was a caller from the north side Monday.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Great Bend People to Neglect

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which have cured people right here in Great Bend.

Mrs. H. A. Fruit, living at 1219 Adams St., Great Bend, Kansas, says: "I had considerable trouble from my kidneys several years ago, and last winter when I began to feel a dull aching in the small of my back and the kidney secretions began acting too freely, I made up my mind to take the trouble in time. As my mother had been greatly benefited by the use of Doan's Kidney Pills, I procured a box at the A. & A. Drug Co. They helped me in a short time and I have been in good health ever since. I will always say a good word for Doan's Kidney Pills whenever I have the opportunity."

Entries Of Breeding Cattle

The story the figures tell is again an interesting one for the Royal of 1909. Only the cattle entries are complete and they only in breeding classes and pure bred fat stock in individual entries, so far. The record of Hereford, Shorthorn, Galloway and Angus displays at the Royal is here given. The prospects are for a big show of carlot grassfed feeding cattle in the various divisions, and for a larger list in the rangebred classes contesting for the Kansas City stock yards trophies.
